

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election signifies that they are an arm of the Republican Party and unfit to have an FCC license to broadcast.

In addition, it is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest; clearly they are not.

I urge you not to renew their broadcast license.

Thank you.
